

MCP PLAN

Practical Exercise

Each team is to brainstorm a list of items on the MCP Plan. To do this, take a piece of paper and draw a circle in the middle of the page. Write the word “MCP” in the middle of the circle. Then one by one, each person draws an arrow out from the circle and writes the duty on the arrow. This process continues until time is called. Five minutes is allowed for this exercise.

Each team will place their list aside as it will be used in the review exercise.
